

Area: Program Administration
Subject: Program Evaluation
Policy No.: 310

Policy

It is the policy of the clinical service programs of the Department of Communication Disorders (Center for Communication Disorders, Access Network, Southern Connecticut Audiology Services) to objectively evaluate clinical service program goals on a regular basis.

Purpose:

The purpose of this policy is to ensure that the clinical service program goals are appropriate in response to client, community, and Department needs, and that they are effectively implemented.

Procedures:

A Self-Study of the department's clinical service programs will be conducted in conjunction with the Department of Communication Disorders, according to the guidelines established by the Department.
