Advisement Worksheet for STEM FOUNDATIONS FOR NURSING, HLS students

Use this worksheet in preparation for registration planning and refer to your degree evaluation to determine which courses you still need to complete. LEP and Writing Intensive courses should be added in after nursing prereqs have been mapped out (prereq courses with an "*" may also meet certain LEP requirements).

STEM Foundations for Nursing Prereqs – Listed as Cognates on your Degree Evaluation

A minimum of 6 of the following 9 nursing pre-requisite requirements need to be completed by the time you apply to the program. If you have 1-3 nursing prereqs below still left to complete after you apply, they must be completed prior to starting the actual Nursing curriculum.

Earning more than 2 prereq grades below the grade req. will prevent you from pursuing the Traditional Nursing program.
1 Writing Course may be found in the NUR major requirements, but not guaranteed.
